

Hollins Heritage Committee  
Meeting Minutes: April 4, 2017

Jon Bohland established two final meeting dates for this semester. The HHC will meet again at noon on 4/18 and 5/2.

Jon Bohland also laid out three primary tasks for the meeting:

- 1) What do we want to accomplish in the next month?
- 2) What are our expectations for next year?
  - a. This may include talking about next year's USS conference at Hollins and thinking about the HHC budget.
  - b. It was suggested that we form a subcommittee of the HHC to work on the USS conference.
- 3) Ask participants to offer a recap of the recent USS conference at Georgetown.

The HHC decided to establish the following goals for the next month:

- 1) Organize a walking tour and dinner/reception for the Hollins community.
  - a. The date for this event is tentatively 5/13, with 5/6 being a backup date.
  - b. The committee would like to hold the dinner/reception in the Green Drawing Room.
  - c. Brittney Flowers will take the lead on invitations to the Hollins community.
  - d. The idea is to get a sign-up sheet circulated to estimate numbers and also to possibly personalize the event to talk about ancestral locations on campus.
  - e. The idea is that a walking tour will be held in the late afternoon, followed by the dinner/reception.
  - f. Jon Bohland will talk to Nancy Gray about budget for this event and to Brittany Foutz about booking the room/catering.
- 2) Ernie Zula talked about the performance of African Violets on 4/21.
  - a. Nikki Giovanni has been confirmed as a participant.
  - b. The committee is going to work to help promote this event widely.
  - c. Brittney Flowers will include information on the event when she contacts members of the Hollins community about the 5/13 event.
  - d. There are hopes that there will be a post-performance discussion at the event.
  - e. Ernie asked that we remind folks that this is NOT a historical documentary, but a fictionalized narrative based on research.
- 3) Jon proposed that we make sure a subcommittee for the memorial/monument to the Hollins community be formed before the semester ends.
  - a. There will be at least two students on that committee, in addition to faculty/staff.
